- Assignment #1:
  - Fundamentals of Accelerated Computing with CUDA Python
- Kindly access to DLI's full suite in generative AI/LLMs, deep learning, accelerated computing, data science, and graphics & simulation.
- Link:
  - learn.nvidia.com/en-us/training/self-paced-courses
- Access Code:
  - DLITEACHPR24_T2PK_26_ZLZV_22

Redeeming a DLI Promotion Code

Step 1   Go to learn.nvidia.com/ and select **"Self Paced Courses"** in the site navigation bar at the top of the page.

Step 2:   From the Self-paced courses page, choose the self-paced course you want to take and **click on the course name**.

Step 3:   From the self-paced course page, review the course details and click "Enroll Now"

Step 4:   From the login screen, **create an NVIDIA account and join the NVIDIA Developer Program. If you already have an account, log in and go to Step 5**.

Here's how:

a. Enter your work email address and click **"Sign In"**.
   The system will recognize if there is already an account associated with your email

b. On the next page, **enter your contact details** and review Terms of Use and Privacy Policy.

c. Click **"Create Account"**

d. Check your **email for a verification link**.
   Click the link in your email. Check your spam folder if you don't see the email.

e. Return to the original page, which is now the **NVIDIA Developer Program Sign Up page**
   This may take a moment to load. Select your preferences, and then **submit your profile information**

f. Enter your full name and public username, then click **"Create Account"**
   This will link your NVIDIA Developer Program account with the NVIDIA DLI

> **Access Code:**
>   DLITEACHPR24_T2PK_26_ZLZV_22

Step 5:   On the cart and billing page, enter the access code:

a. Enter the Promo Code in the "Promo Code" field below the item in your cart and click "Apply"

b. Enter the required information under "Billing Address"

c. Payment information is not required. Please select the "Paypal" option in this section and click "Review Order"

d. On the next page, click "Submit". You will receive an email confirming your order

e. Go to 'My Learning' page at learn.nvidia.com/my-learning for the selected course.

Step 6:   From the My Learning page, click on the course. Enjoy your self-paced training.

Ensure your full name is what you want to be displayed on any certificates you will be issued
